

Gulf Coast Fund Priority Areas of Funding

01 Right of Return and Right to Stay

- Facilitate former residents to move back to the affected areas, and support their efforts to retain and rebuild communities

02 Ecological Health

- Restore and support coastal wetlands and healthy coastal communities

03 Environmental Justice and Health

- Monitor and clean up health and environmental hazards; Work toward the equitable cleanup of contaminated areas

04 Just and Sustainable Rebuilding

- Incorporate sustainable solutions such as green and healthy buildings and smart and fair growth into rebuilding

05 Worker Rights

- Protect all workers health and safety; Promote advocacy and organizing which empowers Black, minority, and immigrant workers.

06 Cultural Arts

- Support community-based arts initiatives that promote and preserve the cultural heritage of the Gulf Coast

07 Youth and Education

- Address the needs of children affected by the storms; promote equitable access to quality education for all school-age children in returning communities
